

Lesson By:

Sarah Gerrard

Grade: 11

Subject: Visual Art

Date: November 2023

Topic: Art Career Research Assignment

Notes:

Brief Lesson Overview:

In this assignment students research various art careers.

Materials Needed:

Computers & handouts

Learning Outcome:

CH20.3 - 3 Investigate opportunities in arts communities and visual art-related practices and careers in Saskatchewan, Canada and the world.

Structure / Activity:

- Motivational set: show [this video](#) by D & AD Creative Advertising
- Brainstorm a variety of different arts-related jobs (artist, art historian, art therapist, graphic designer, animator, tattoo artist, etc.)
- Distribute handouts and have students research three art careers they are most interested in and turn their research in for grading.
- [The Art Career Project](#) website is an excellent starting point as a database with lots of information regarding various art careers - it is American and salaries are in USD.

Enrichment:

- Students who are interested in the arts may really enjoy watching Netflix's *Abstract: The Art of Design* series, which profiles a wide array of art careers if they have access to Netflix at home.

Assessment:

Rephrase the outcomes as "I can" statements and mark each page out of 10. Have a class critique to discuss their artworks.

When sharing student work please ensure an intellectual property release form has been signed
